2019 Contest Theme: Recycle Right

Create a billboard for the region that will inspire people to "recycle right". Meaning, to recycle only the items that are acceptable. Visit www.hrra.org to see the list of "What's IN" & "What's OUT" If you have questions email: info@hrra.org

Artwork must be submitted on the provided template and created in landscape orientation, in color, in any medium of your choice. Use the back of this entry form to create your artwork.

When creating your artwork remember this is for a Billboard. The images and words should be clear and easy to see from a distance and have a distinct message to promote recycling.

Do not use brand names, or names of stores in your artwork. *Your artwork will be disqualified if brand names are used.

Student's name, address, school and grade must be printed on the space provided to the right. No exceptions! Artwork missing an address will NOT be eligible for a regional award. Information is NOT shared with any other party, this is for internal contest use only.

Artwork should be submitted to the local coordinator by Friday, March 1, 2019. Home-schooled students must submit to the coordinator in their home district school or town.
